## Class Agent Program

You may have received a letter requesting your involvement with our newly developed Class Agent Program. You know that one that is still sitting on your desk or got lost in the shuffle of holiday cards or may have ended up in the recycling?

Well, you're in luck! There is still time to join the program! A Class Agent's main role is to be a liaison between your class and St. Pius X High School. We want to know what is going on with YOU, our Alumni.

If you have any interest in filling the role of Class Agent for your class or would like additional details about the program, please email us at [alumni@stpius.com](mailto:alumni@stpius.com)

## Did You Know ...

During the 2016-2017 school year, St. Pius X High School introduced the House System designed to foster student engagement and school spirit through the assignment of every student, teacher, staff member and alumni to one of four Houses. Houses create small communities where students of all grade levels interact while encouraging accountability, communication, tradition, academic excellence and friendly competition. All students of St. Pius X High School are assigned to one of four houses: Borgia House, Dalton House, Deutschmann House or Genevieve House. Houses have been appropriately named after influential leaders and contributors to the mission and goals of St. Pius X. Houses are forever, so future reunions, homecoming, and other alumni events become even more sacred and steeped in tradition. To learn more or what House you belong to visit our website.

### The Lunch Hour

St. Pius X High School provides their students an hour long lunch. During this hour students are allowed to meet with faculty, attend club meetings, mass or pray in the chapel, work out in the weight room or utilize the hour for study hall. Students are also able to eat anywhere on campus including outside when weather permits. The Lunch Hour is very popular with our students and assists in their development of time management.

The Lunch Hour is also a wonderful time for alumni to stop by and visit our faculty and staff.

St. Pius X High School offers a unique marketing opportunity for you and your business. Our Business Alliance program was designed to provide your business with true marketing value for your support of our school and activities. We provide a return on investment through the number of impressions via social media messaging and advertisements.

All St. Pius X students will benefit from monies raised through the St. Pius X High School Business Alliance. Monies will fund various programs: Circle Theatre, band and choir, STEM programs, Lancer Athletics, tuition assistance, Project Prom, field trip transportation and much more!
