FEATURED ALUMNI

Angeline (Politte) Stucke, Class of 1995

Angeline Stucke returned to the runway when she participated in the Eighth Annual Garbage Bag Gala and Fashion Show on Saturday, August 3rd at the Mercedes-Benz of St. Louis Showroom. Angeline was invited back as the winning designer of the Seventh Annual Garbage Bag Gala. The Fashion Show featured Ready-to-Wear and Art-to-Wear looks from St. Louis designers, crafted entirely from recyclable materials and garbage bags. The designs were judged by leaders in the St. Louis fashion industry.

Angeline's Gala Dream Team was stacked with amazing alumni talent. Her sister Jocelyn (Politte) Canan '98 was assisting from the beginning brainstorming ideas and helping with whatever was needed. Madison Proffer ('15) added a special touch to hair and makeup and current student Sydney Proffer rocked the runway in Angeline's incredible designs.

Congratulations, Angeline!

WELLNESS CENTER UPDATE

Upgrades to our original vision for the Wellness Center delayed our preferred spring start date for construction, but it is now underway - the foundation is being dug and poured, steel beams are ordered and being manufactured for delivery in September, and the contractors are lined up. With some cooperation from the weather, we plan to have the Wellness Center complete by the end of the year.
