Letter from the President

Hello Alumni of St. Pius X Catholic High School,

The 2023/2024 school year is off to a great start! We continue to serve the mission of providing extraordinary Catholic education. This is ever so apparent based on the results of our 2022/2023 academic year: 100% graduation rate, graduates accepted at 58 colleges in 18 states. Additionally, graduates earned \$1.87 million in accepted merit/talent scholarships. The class GPA was 3.34 with 16 graduates achieving a GPA of 4.0 or higher. Our ACT composite average was 22.3 (national average 20.3).

As with many summers, we completed several updates to our facilities, most notably both the girls and boys locker rooms were renovated. Stop by and see the difference. We also purchased the 3.63 acres in front of our school. This was a 5+ year journey that will expand our campus and position us for bigger changes. Much thanks to all who contributed and supported this initiative. The immediate plans are to build a new baseball field.

We are immensely grateful for your continued support as we uphold our commitment to academic excellence and the future of Catholic education in our community.

Sincerely,

Jim Lehn

Featured Alumni Adam Mattingly '06

Adam Mattingly still considers the time he spent at St. Pius X as some of the best years of his life. He grew up significantly, forged lifelong friendships, and created enduring memories. From the numerous social events to the senior Spanish trip led by Mrs. Finazzo, Adam looks back on it all fondly and remains grateful for attending and later graduating from St. Pius X in 2006.
