Featured Alumni
Gene Slavit, Class of 1973

Growing and gaining a quality Christian education was a family tradition—all seven of my brothers and sisters also graduated from St. Pius. For me, my time at “Pi Hi” broadened my understanding, built lasting friendships, and helped me want to be more Christlike. It also set a foundation for my later academic and professional life. Here’s what I mean.

We had amazing teachers that built up the class of 1973. I have vivid memories of Mr. Voss in Latin, Coach Gordon for history, Mrs. Day for science, and Coach Boyer for P.E. I also loved the school plays and all of the work put into each performance. Being class President and Vice President for my last two years, I saw what wonderful students we had and how the administration wanted the best for us. My understanding was broadened by the subjects we studied and the hours we shared—in and out of class. High School years can be very challenging physically, emotionally, spiritually, as well as academically. I am still thankful for the good friends who joked with me, encouraged me, comforted me, and set examples for me to follow.
