

## **Kevin Halley, Technology Coordinator & Personal Finance Teacher**

**Degree(s)/Degree-granting institution:** Maryville University (St. Louis)

**Academic area:** Technology Coordinator & Personal Finance Teacher

**St. Pius X alum? Yes, Class of 1998**

**Years teaching/Years teaching at St. Pius X:** 10th year teaching at St. Pius X... 14th year coaching

**Coaching or club sponsorship roles:** Head Softball Coach

### **What is your favorite thing about working at Pius X?**

The people of the St. Pius X community.... The students are the greatest asset of St. Pius X and the faculty & staff have always been a great help to me becoming a better teacher, coach and even father. I have always looked forward to coming to work each day to work with the students in the classroom and playing field and to work with some of the same people that taught me in high school and helped mold me into the teacher I am today.

### **Outside of work, what are you passionate about?**

My greatest passion is my family. My wife Erin and my two daughters, Brynn and Ryann take up a lot of my time outside of school and softball.

I am also highly involved in the National Fastpitch Coaches Association and the Missouri Softball Coaches Association.

### **Tell us about your proudest moment at Pius X.**

Being on the sideline in 2012 as an Assistant Coach when the girls' soccer team won the State Championship. I played for Bokes in high school and consider him to be one of my greatest coaching mentors. While I was tremendously excited for student-athletes and their accomplishments, seeing Bokes finally get a State Championship made me even more proud to be a Lancer.

### **What is your philosophy of education?**

Teaching is about connecting and relating to the students. While it is impossible to reach everyone, being able to connect the students experiences to the content will greatly assist them in retaining the concepts they need to move on in life.
