Dear Friends of St. Pius X Catholic High School,

I'm thrilled to share the remarkable highlights of our 2022-2023 academic year, made possible through your unwavering support. Our graduating class achieved outstanding academic success, with 58 college acceptances across 18 states. Notably, 33% opted for two-year or technical colleges, 55% for four-year universities, 4% pursued technical/trade schools, and 1% enlisted in the United States Air Force.

Our students earned an impressive \$1.87 million in merit/talent scholarships, boasting a class GPA of 3.34, with 16 graduates achieving a GPA of 4.0 or above. Our top GPA hit an exceptional 4.347 out of 4.5. Additionally, our ACT Composite average of 22.3 surpassed the national average of 20.3.

Your generosity also led to facility upgrades, including our locker rooms, and the acquisition of a 3.63-acre lot for future growth...most likely a new baseball field that will help transition to several future updates. We are immensely grateful for your continued support as we uphold our commitment to academic excellence and the future of Catholic education in our community.

Yours in Christ,

A handwritten signature in black ink, appearing to read "Jim Lehn".

Jim Lehn, President

A special thank you to all the individuals and organizations whose names appear in this report.

We apologize for any errors or omissions and ask that all corrections be called to the attention of the Office of Advancement. We invite all who share in our mission of Catholic education to support generously and meaningfully this apostolate of preparing today's generation of students to serve God and His people.

The Friends of Father Dalton Scholarship was created in 2011 to provide financial assistance for families in need. It is our mission to share the gift of a Catholic education with anyone who truly desires it. Fr. Dalton committed a lifetime of service, pouring his heart and soul into growing St. Pius X. Father Dalton began as a teacher here at St. Pius X Catholic High School in its second year of existence, 1960-1961. In addition to teaching, he was the school Administrator for many years. It is safe to say that Fr. Dalton was a part of every single student's life at St. Pius X in some way or another. The listing below includes those amazing donors who contributed to funding Friends of Father Dalton Scholarship for students in need.
