Financial Assistance and Scholarship Guide

Mission Statement

St. Pius X Catholic High School is a Catholic community dedicated to the education of the whole person in an environment where extraordinary care and concern for the individual is ordinary.

A Catholic high school education is an investment in the future. For nearly 200 years, the Catholic education system in St. Louis has provided a rich educational experience for its students and families.

It is the mission of the Church to share the gift of a Catholic education with anyone who truly desires it. Many families are in need of assistance in making the dreams of future success for their child a reality. To this end, over 80% of St. Pius X families receive tuition assistance. We recognize the sacrifice families undergo to make the dream of a Catholic education a reality and we stand ready to help in any way possible.
