

The focus of this newsletter is to keep you informed about what is happening on campus and to celebrate our alumni accomplishments. We would love to hear from you!

Dear St. Pius X Alumni,

We are thrilled to announce an incredible opportunity for our graduates beginning with the Class of 2025! St. Pius X Catholic High School has established a merit scholarship agreement with Missouri Baptist University (MBU). Beginning this year, graduates who are accepted at MBU will receive an annually renewable \$23,300 scholarship. Our school was selected as one of the limited participants due to the outstanding academic, theological, and moral preparation of our students.

As we continue our mission of providing a Christ-centered education, we are thrilled to share updates from our campus! The construction of our new baseball field is coming along beautifully, a testament to the dedication of our community and our commitment to excellence.

Looking ahead, we are excited to embark on future projects, including plans for a new track and football field. These enhancements will further enrich the opportunities for our students, both in academics and athletics, as we prepare them to become the future leaders of America.

We ask for your continued prayers for St. Pius X Catholic High School. Together, we are shaping lives through the mission of Catholic education and fostering a strong foundation for the next generation.

Thank you for your unwavering support.

In Christ,

Jim Lehn
President
St. Pius X Catholic High School

Featured Alumni - EJ Fleischmann '11

EJ Fleischmann is a dedicated public servant and business professional with deep roots in both local government and the grocery industry. A proud graduate of the Class of 2011 at St. Pius X High School, EJ credits the school for pushing him to grow academically and personally, while inspiring a drive to succeed.

After high school, EJ spent two years at Jefferson College before transferring to Maryville University, where he earned a B.A. in Business Administration. From there, he jumped into the workforce, starting at the Missouri Grocers Association, working with independent grocery retailers and food industry leaders across the state.

In 2016, at 23 years old, EJ was elected to the Arnold City Council, where he continues to serve his community, currently serving his 5th term. Along the way, he also spent five years as a Legislative Assistant for three Jefferson County-area representatives in the Missouri House of Representatives, gaining invaluable experience in state government.

Today, EJ is the Assistant State Director for the Missouri Grocers Association, focusing on issues that affect local grocers and food industry professionals throughout Missouri. Through his work and service, EJ strives to make a positive impact, living out the values of hard work and community that were instilled in him at St. Pius.

Outside of work and public service, EJ's greatest joy and passion is spending time with family. Whether it's hanging out with his nieces and nephew or enjoying quality moments with loved ones. EJ's Catholic faith and family is at the center of his life.

Trivia Night

Thank you to all that came out for the Alumni soccer game!

Baseball Field Update

Exciting things are happening at St. Pius X Catholic High School. In addition to being a

school of academic excellence, we are modernizing our facilities. We started with our state of the art Wellness Center. We are now building a new baseball field. All of these improvements are possible because of the generosity of those that support StPX with their time, talent and treasure.

The baseball field project began more than six (6) years ago with discussions to purchase approximately four (4) acres in front of the school. Those discussions led to approvals and negotiations, ultimately ending with StPX purchasing the property outright in September 2023. Since then, we've been busy with surveys, permits, relocating 500' of 10" water line, installing storm water pipe, moving dirt, installing an irrigation system, and pouring a concrete pad for a building to house controls, concessions, facilities and provide storage. We are also building dugouts that will be sunken in the ground for better viewing, adding a net for the backstop, fencing and a spectator area. All with the intent of having our opening game March 27, 2025.

To light up night games, we are installing lights and poles. Our school theme for this year is "Be The Light." Amazingly, that was our theme prior to identifying the need to raise funds to help pay for the lights. As previously mentioned, many supporters of StPX have already contributed with their time, talent and treasure. Because of their generosity, we only need to raise \$75,000 to fully fund the lights. We are kicking off the "Be The Light" Campaign to fund this light project. Our goal is to secure \$75,000 by December 31, 2024.

Please consider a tax-deductible donation and support our community's student athletes. We have attached a list of suggested donation levels, however, if you would like to discuss an alternative donation, please contact Jim Lehn directly at (314) 608-0669.

StPX Friends and Family Levels

LANCER LEVEL: \$10 - \$499

-Recognition on StPX Facebook, Instagram, and website

MVP: \$999

-Recognition on StPX Facebook, Instagram, and website
