Dear Alumni,

At St. Pius X, our mission has always been clear: to provide an exceptional Catholic education that shapes young minds and hearts. Today, over 82% of our student body is Catholic, but being a Lancer isn't just about faith, it's about embracing a Christ-centered education that guides our everyday lives. Whether Catholic or not, every student who walks through our doors is given the opportunity to grow in mind, body, and soul, preparing them for a lifetime of learning and leadership. The wait is nearly over! Mark your calendars as March 27 is the official Grand Opening for our brand new baseball field. As we count down the weeks, the progress is evident. Contractors are hard at work, equipment is in motion, and every day brings us closer to a field that will serve generations of Lancers to come. The energy is palpable, and we can't wait to celebrate this milestone with you!

As spring unfolds, so does the excitement of a new season at St. Pius X. The halls are filled with overjoyed students, faculty and staff. Another graduating class is preparing to step into the world, and another academic year is reaching its final stretch. Through it all, we remain steadfast in our mission, knowing that every lesson, every challenge, and every success brings us closer to our ultimate goal.

Together, we continue the journey of faith, knowledge, and salvation. We ask for your prayers, your support, and your presence as we move forward.

In Christ,  
Jim Lehn  
President  
St. Pius X Catholic High School
