

The focus of this newsletter is to keep you informed about what is happening on campus and to celebrate our alumni accomplishments. We would love to hear from you!

Dear Alumni,

Thank you for your continued support of St. Pius X Catholic High School. It is vitally important that you and your families continue to sing the praises of our great school. Since opening our doors in 1959, St. Pius X has been a beacon of academic excellence.

Today, we are thriving academically, spiritually, and athletically. Enrollment is higher than it has been in the past 10 years. In addition, progress on the new baseball field is moving along well. The irrigation system is already installed, and construction on a new building, backstop, and dugouts is set to begin shortly. Sod and seed will be placed in the next 2-3 weeks, followed by fencing and lights.

With these exciting developments and our continued focus on academics, it's a great time to be a part of the Lancer community. We invite you to come back and visit, see the changes, and reconnect with the school that has played such an important role in your life.

We look forward to welcoming you back soon.

Continued Blessings,
Jim Lehn
President
