The Benefits of Sponsorship

The St. Pius X Catholic High School Business Alliance program was designed to provide your business with true marketing value. We provide a return on investment through the number of impressions via social media messaging and advertisements, all while striving to minimize multiple requests for donations and sponsorships throughout the year.

All St. Pius X students will benefit from monies raised through the Business Alliance program.

Monies will fund various programs: Circle Theatre, band and choir, STEM programs, Lancer Athletics, tuition assistance, field trip transportation and much more!

*St. Pius X Catholic High
School is a Catholic community
dedicated to the education
of the whole person in
an environment where
extraordinary care and concern
for the individual is ordinary.*
